B Jain Publishers Pvt Ltd. Paperback. Book Condition: new. BRAND NEW, 40 Tissue Remedies, N. Kodanda Ramaiah, This book speaks highly on the constitutional approach to the treatment of skin diseases as these are, like any other disease, a manifestation of the dynamically deranged life principles and not local conditions which can be excised or cured by topical applications as is the trend in medicine. The book has been divided into three separate sections for the convenience of reading - the first part dealing with the effect of suppression in skin disease, the second part containing case records with dosage and follow-up and third part discussion the constitutional cure of alopecia areata with case records to guide through its management.
