

Enough Is Plenty: Public and Private Policies for the 21st Century

By Anne B. Ryan

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Enough Is Plenty: Public and Private Policies for the 21st Century, Anne B. Ryan, What would it be like if we put human and planetary well being at the center of our entire decision making? Enough - it really is as good as a feast - is the basis of a rewarding contemporary answer to that question. The book explores: enough as an intrinsically moral and ecological philosophy, which can help provide a vision for positive futures; practical public policies of enough (carbon quotas, citizens' income and intelligent agriculture), which could improve quality of life for all people on earth, and save the planet; and, how each reader can restore and build up personal resources for enough that already exist within all of us. Enough is an ancient 'master concept', which today finds renewed and updated expression in a variety of proposals for a transition to a better world. Each one of us has an innate sense of enough; everybody can play a part in the movement of enough and at the same time improve daily well being. The book is a unique blend of ideas, practice and resources, integrating philosophy,...

Reviews

This is an awesome publication i have at any time read. Of course, it is play, still an interesting and amazing literature. You will like just how the author write this book.

-- Prof. Herta Mann

It in one of the best publication. It is definitely simplistic but excitement in the 50 % in the ebook. I am very happy to let you know that this is basically the greatest publication i have got go through within my own existence and could be he greatest pdf for ever.
