PUZZLING OUT OBSTETRICS AND GYNAECOLOGY

REMEDICA. Paperback. Book Condition: new. BRAND NEW, Puzzling Out Obstetrics and Gynaecology, Sarah Tupper, Hugh Montgomery, Neil Goldsack, These books were conceived by consultants with many years' experience of teaching of medical students, who noticed a few things. Firstly, students are poorer than ever. They can't afford 25 pounds for a textbook on each new topic. Secondly, there is a limit to how much anyone can 'take in' at one sitting. Medical knowledge might be better delivered in 'bite-sized pieces'. Thirdly, studying a book after a long day on the wards can be desperately dull. This should not be the case! These puzzle books are just that - they contain word searches, crosswords, link-letter puzzles and more, all based around the topic in question. So open this book and you'll find a crossword about 'Diabetes in pregnancy', anagrams on 'Infertility' and a dot-to-dot of well, you'll just have to do it and see!
