This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2003 in the subject American Studies - Culture and Applied Geography, grade: 1, University of Frankfurt (Main), 13 entries in the bibliography, language: English, abstract: During the semester we read a lot of texts by different authors. There were a lot of questions that we raised in class about race, gender, identity and religion. We found out that there was a lot of prejudice on both the Black and the Jewish side. It was important for me to know whether it is possible to unite both black and Jewish parts of one s identity or one has to give up one part of his or her heritage in favour of the other. In my paper I would like to try to find out if there is a contradiction in being both black and Jewish from the point of view of Jewish religion. I want to try to show that there is no contradiction to be found and that the prejudice against people of colour does not come from the Jewish tradition. 16 pp. Englisch.
