Penguin Books Ltd, United Kingdom, 1987. Paperback. Book Condition: New. Revised ed.. 196 x 127 mm. Language: English . Brand New Book. The writings in this volume cast a glimmer of light upon the emerging traditions and organization of the infant church, during an otherwise little-known period of its development. A selection of letters and small-scale theological treatises from a group known as the Apostolic Fathers, several of whom were probably disciples of the Apostles, they provide a first-hand account of the early Church and outline a form of early Christianity still drawing on the theology and traditions of its parent religion, Judaism. Included here are the first Epistle of Bishop Clement of Rome , an impassioned plea for harmony; The Epistle of Polycarp ; The Epistle of Barnabas ; The Didache ; and, the Seven Epistles written by Ignatius of Antioch - among them his moving appeal to the Romans that they grant him a martyr s death.
