Puffin Books, United States, 2014. Paperback. Book Condition: New. Professor of Government and a Member of Cresc Michael Moran (illustrator). Reprint. 196 x 130 mm. Language: English . Brand New Book. A hilarious new illustrated middle grade science fiction series for elementary school readers and fans of Captain Underpants! Iggy Loomis is the weirdest little brother ever and he s a huge pain in his older brother Daniel s you-know-what. But when Daniel befriends Alistair, his new next-door-neighbor, Iggy gets much, much weirder. Little does Daniel know Alistair is really an alien. When Iggy thinks he s eating Alistair s candy, he s actually eating chemically-coated insects. Yuck! Soon Iggy s DNA starts to mutate, and Daniel and Alistair have to keep Iggy s new superpowers from manifesting before everyone gets in trouble. Piles on the yuks . It doesn t take psychic powers to see how this could be a crowd pleaser. Kirkus Reviews Allison creates a comically put-upon older brother in Daniel in a lighthearted story that captures the chaos of everyday family life, superpowers or not. Publishers Weekly.
