

Potluck: Community on the Edge of Wilderness (Paperback)

By Ana Maria Spagna

Oregon State University, United States, 2011. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book. In Potluck, Ana Maria Spagna explores the enduring human connection to place, journeying from Tijuana to a California beach to Utah s canyon country--and, always, back to the sparsely populated valley in the North Cascades she calls home. Potluck homes in on the everyday gatherings that, over time, define a community: a makeshift wedding, an art gallery opening, a farewell potluck, a work party, a campfire, a political caucus, a funeral. What connects us? Spagna asks, and she reveals, again and again, the gift of community--easy and uneasy, deep and enduring and essential.
